

INFORMATION FOR PARENTS/GUARDIANS

Eligibility to enrol in a particular school

The only guaranteed place in a public school is if you live in the local-intake area of that school. Enrolment in a particular primary school does not guarantee a place at a specific secondary school.

Applications to transfer from another school

Decisions about the enrolment of your child into a specific year of schooling and/or the educational program will be based on age eligibility, as well as the child's level of previous schooling, achievement levels and identified needs.

Once the application has been accepted, in addition to the Enrolment Form you will also need to supply evidence of your child's progress from the previous school. This can be in the form of reports, records or samples of work.

If your child has gained enrolment from outside the local-intake area into a specialist program, any siblings cannot be guaranteed enrolment to the same school.

Disclosure of information

For parents of students with disability

In order to provide an appropriate education program the school may require specific information relating to your child's disability and personal needs to enable the school to make any necessary teaching and learning adjustments. The school may also use the information you provide when applying for specialist resources or services and/or supplementary funding to support your child's education.

Suspensions and exclusions

Information on any suspensions and exclusions needs to be provided to the school at the time of applying to enrol. This information will help the school to provide your child with any support that may be required.

Children currently under suspension from a public school cannot be enrolled at another public school until the suspension period expires.

Children who have previously been suspended or excluded from a public school may be required to enter into a behaviour agreement with the school if enrolment is accepted.

Confidentiality

All information provided on this form will be treated confidentially. Section 242 of the *School Education Act 1999* precludes this information from being used for any purpose other than: to determine whether your application for enrolment can be accepted; to assist the school with addressing any needs for your child if enrolment is accepted; and to comply with legal requirements or ministerial directions.

Disputes

Should you disagree with a school's advice regarding your application for enrolment please contact the principal in the first instance. The Coordinator Regional Operations at your Education Regional Office can provide advice if a concern has not been resolved. Information about formal disputes can be obtained from the school, the Education Regional Office or the Department's *Enrolment Policy* which can be found at <http://www.det.wa.edu.au/policies>.
